

## Midhurst Primary School Spring Term Newsletter #6 25.03.11

### NEW KEY STAGE 2 TEACHER

We were delighted to appoint a new teacher in readiness to teach year 4 from September next year on Wednesday. Her name is Miss Maxfield. She has been studying an Education degree over the last four years at Brighton University and showed great creativity and an interest in making learning fun during her interview.

Miss Maxfield will be visiting us in school in the near future and as soon as we have confirmed the classes for next year, we will organise an opportunity for parents to meet with her.

### RED NOSE DAY 2011

Although I was out First Aiding, I was delighted to hear that the children had such an exciting and fun filled day on Red Nose Day last week. Not only was there a lot of fun had, but we managed to raise £500.00!

Thank you for your support with this and a big thank you and well done to Mrs Clarke and her band of talented year 6s for organising the day and making it such a great success.

### TURF CUTTING AT MRC

I was delighted to be involved in a Turf Cutting Ceremony at MRC on Thursday this week. Accompanied by two year 5s, Luciana and Jim, we were able to make a contribution to a Time capsule buried at the site and not to be opened for 100 years. The ceremony was to commemorate the laying of the foundations for the new build at the academy.

A big thank you to Dr Joe for inviting us to the ceremony. It was fantastic to be involved in such a momentous occasion on what was a gorgeous day.
