

CLUBS

Just a reminder that today will be the last **FILMCLUB** for this academic year. We will kick off again in September, so watch this space for more information.

Instead Mrs Clarke and I will be running a **Cricket Club** for children in years 5 and 6 on a Monday after school for the Summer Term. All children are welcome and no need to complete any forms.

The new **Street Dance Club** for children in KS2 will also be starting after the Easter Break, and will also be on Monday Evenings. I know there are limited places, and you should be informed by the people running the club If you have a place. This club will only run for the first half of next term, so if you're in year 5 or 6 and going to the Street Dance Club, you can still come to Cricket in the second half of term.

Football Clubs, Solid Rock and Fencing will remain the same!

A plea from Mrs Middleton and Mrs Simpson from **Wildlife Club**, who are intending to stand down following several years of hard work running the club. Due to their work and other commitments are intending to run next terms club, but hope that there may be two people out there who would like to step into the breach and run the club from September. The club would of course still need lots of voluntary support. Anyone who is interested should contact either Mrs Middleton or Mrs Simpson.

NON PUPIL DAY

Just a quick reminder that there is a Non-Pupil Day on the First Day of next term, so the children's first day back after the holidays will be Wednesday 27th April.

DATES FOR YOUR DIARY

Attached to this letter is a set of Dates for next Term. Therefore I will not include my normal timetable for the up and coming weeks. Something that you should look out for is a change in date of the **Summer Fair which will now be Friday 17th June!**

YEAR 5 AND 6 RESIDENTIAL TO FRANCE 2011

I couldn't write this letter without mentioning our year 5 and 6 residential to the Chateau du Tertre, near Normandy in France last week. The children were fantastic and had a range of great French experiences, including shopping in a local town, a market and even eating Snails! I would like to take this opportunity to say a HUGE 'thank you' to Mr Aldren, Mrs Clarke, Miss Austin and Mrs Cain for accompanying us and giving up their time. Without their hard work and dedication there is no way the week could have been such a success. This, as well as hearing from our PGL group leader Lamy that our children were brilliantly behaved during the week's activities, something I would very much agree with, all adds to the experience as positive and worthwhile. So a BIG 'thank you' to the children too. Those of you who went, watch this space for the pictures.

Well that's it for another Term! Where did that go??? I do hope you all have a fabulous break and a well-earned rest and look forward to seeing everyone raring to go at the beginning of the Summer Term!
