

M.P.S.

OUR AIMS FOR CURRICULUM PLANNING...

To give opportunities for children to:

- explore, question and investigate
- access all of the 5R's in our L2L programme
- have a say in their learning
- choose how to present their work
- show independence and self – determination
- develop their creativity
- work in a range of settings/ways (including collaboratively, paired, individual, mixed ability, cross phase etc)
- celebrate their achievements in a variety of ways

To plan experiences which are:

- enjoyable and fun
- memorable and shared
- meaningful
- cross-curricular (when applicable)

To make full use of relevant resources:

- learning outside the classroom
- ICT
- visitors and experts
- local area/ community
- trips and other opportunities

To ensure learning opportunities which:

- have a clear intent
- is inclusive for all children
- build upon prior learning and show progression
- is lifelong
- offers flexibility to follow our interests passions and expertise
