

Year 5: School Closure Work

Maths	Reading	Writing
<p>Decimals 37.6 + 42.5 = 2.4 + 7.3 = 92.33 + 24.5 = Now ask a member of your family to write you three more to try!</p> <p>Fractions of amounts 1/5 of 365 2/4 240 4/6 of 12 Now ask a member of your family to write you three more to try!</p> <p>Capacity & measurement Look around your house, how many types of measurement/capacity can you think of? Record this using a brainstorm with symbols and or drawings!</p> <p>Now complete the following gram-kilogram conversions (remember there are 1000g in 1kg)</p> <ol style="list-style-type: none">1) 2000g =kg2) 7000g =kg3) 1200g =kg4) 2800g =kg5) 3400g =kg6) 3.000kg =g7) 7.000kg =g8) 9.000kg =g9) 2.000kg =g10) 1.200kg =g	<p>Daily Reading Continue to read each day. This could be anything: comic, recipes, poems, newspapers, fiction or non-fiction. Remember you can share with me on SeeSaw anything you particularly enjoyed!</p> <p>Reading Comprehension Use the ReadTheory app regularly https://readtheory.org</p> <p>Please remember to upload on seesaw the following:</p> <p>Skimming and Scanning I know how much you love this in class, why not find a text that you can colour code (for example magazine or newspaper) we are looking for apostrophes! Relative pronouns- who, which, that etc Personal pronouns- he she they etc</p> <p>Create a wordsearch full of modal verbs</p> <p>Get creative- share your love of books! I have enjoyed watching the Great British Menu which involved chefs creating everyday food dishes which reflect a book they particularly enjoy. I would like you to create a dish you would enjoy eating with a theme of your favourite book. Get creative! You may also like to research some of the dishes they came up with online for inspiration. I would love to see these please!</p>	<p>Create a SPAG boardgame to play. If you can keep hold of your tried and tested game- we can use them next year 😊</p> <p>SPAG Superstars! Why not visit this game- I tried it and thought it was great! https://www.bbc.co.uk/bitesize/topics/zkbkf4j/articles/zbm8scw</p> <p>How many words can you create using the following letters only once (write a list): a c t p o i l m n e</p> <p>Florence Nightingale Who was Florence Nightingale? Why was she a significant person in history? What impact has she had on healthcare today? What would be different if it wasn't for her achievements? Create a fact file. Many hospitals have been built around the UK recently and are named the Nightingale Hospitals , why do you think that is?</p> <p>Inventions Since being with Oscar, I am amazed by his creativity! He inspired me to give you this task. Draw, design and label a completely unique invention of your very own! If anything could exist what would it be? Then create an advert for your invention!</p>
<p>Topic/research: Read the article at: https://www.theguardian.com/culture/2020/mar/05/florence-nightingales-lamp-features-in-200th-anniversary-show then create a piece of Florence Nightingale artwork.</p>		

Year 5: School Closure Work

Useful websites: Many organisations are offering free access and creating School Closure packages – here are a few we recommend you use regularly. Not all year groups use all of these sites, but if there is a * it means your child may have a school log in.

Thank you all for signing up to SeeSaw. I am seeing such wonderful things, plus it makes me feel slightly more normal that I get to share things with you! I hope you like the activities I have chosen for you for the next few days. Keep an eye on SeeSaw for any random activities or questions I may post. Missing you all millions, stay safe and keep smiling!
