

Year 3: School Closure Work

**Home learning for 15<sup>th</sup> – 26<sup>th</sup> June Year 3**

Hello Year 3. We hope you are all keeping safe and well and had a nice half-term. We are missing you all and think about you lots. We hope you have been out and about lots and have maybe been able to meet up with some friends and family now the restrictions have been lifted a little. I have been lucky enough to bump into some more of you on the common and have a chat.

We have really enjoyed seeing all the work and activities you have been getting up to on SeeSaw, you have been very busy, and it is just so lovely to see your work, photos and videos, thank you.

Stay smiley and safe 😊

Maths	Reading	Writing
<p><b>CGP Maths homework books</b> Continue to work through CGP homework books</p> <p><b>TimesTables</b> Continue to practise your times tables and related division facts up to 12 x 12 eg. 6x5=30 30 ÷ 5 = 6 How quickly can you answer questions? Can you make fact families? Don't forget to use Times Tables Rock Stars to help with speed.</p> <p><b>Daily 10</b> Go to the below link which will take you to a 'Daily 10' game. Try to do this each day.</p> <p><a href="https://www.topmarks.co.uk/maths-games/daily10">https://www.topmarks.co.uk/maths-games/daily10</a></p> <p>From the drop-down menu you can choose your level (I would start with level 2 or 3), the area you want to practise and the numbers you want to work with. You can also choose the time you want between each question (I would start with 15 seconds and then you can try faster as you get used to it). You will need a piece of paper handy to write answers on and then you can mark this once you have completed the 10 questions.</p>	<p>Continue to read daily. It can be anything ...a recipe, a poem, information, instructions for a game etc. Talk or write about what you have read. I know lots of you are probably reading to family members or friends via technology, if you can make sure you spend some time talking about what you have read as well.</p> <p>BBC Bitesize daily lesson are also doing daily reading activities. If you click on the link below and then choose reading you can access these:</p> <p><a href="https://www.bbc.co.uk/bitesize/tags/zmyxxyc/year-3-and-p4-lessons/1">https://www.bbc.co.uk/bitesize/tags/zmyxxyc/year-3-and-p4-lessons/1</a></p> <p><b>Reading comprehension</b> The link below should take you to a BBC bitesize reading comprehension on the book 'Charlie Changes into a Chicken.' Listen to the extracts and complete the questions: <a href="https://www.bbc.co.uk/bitesize/articles/z4vxt39">https://www.bbc.co.uk/bitesize/articles/z4vxt39</a></p>	<p><b>CGP homework books</b> Continue to work through CGP homework books.</p> <p><b>Writing</b></p> <p><b>Spelling, punctuation and grammar</b> Follow this link: <a href="https://cdn.oxfordowl.co.uk/2020/03/16/13/06/46/aed3cc4a-2001-4d3c-9eef-2d64d2f3fab7/AtHomeWith_Grammar7-9.pdf">https://cdn.oxfordowl.co.uk/2020/03/16/13/06/46/aed3cc4a-2001-4d3c-9eef-2d64d2f3fab7/AtHomeWith_Grammar7-9.pdf</a> During the week beginning 15<sup>th</sup> June complete Art Club and during the week beginning 22<sup>nd</sup> June complete Playground and Party Time.</p> <p><b>Writing</b> Pick a letter from the alphabet and do a piece of writing using as many words as you can beginning with this letter (make sure it still makes sense though unless it is a nonsense rhyme). You can do any genre you like, for example, a poem, a recipe, instructions, a story, a newspaper article, a persuasive argument, a</p>

## Year 3: School Closure Work

Continue to follow the white rose hub or BBC Bitesize daily maths lessons (you will probably have a preference by now). Or if you have found you prefer working through the Powermaths summer workbook then follow this.

The White Rose worksheets can be found on the school website under home learning and the videos on the link below.

The Powermaths summer workbook can also be found on the school website under home learning. If you are using Powermaths, once you have clicked on the link you need to scroll down and tick to accept the Ts and Cs. You also need to allow pop ups. On the 15<sup>th</sup> start with textbook B, page 180 and the lesson should be 'Fractions as numbers 1.' Each lesson has discover, share, think together and challenge parts. If you follow these lessons daily (remember the end of unit check counts as a lesson) by Friday 26<sup>th</sup> June you should be on textbook C doing the lesson 'Equivalent fractions 2.' I would write the questions on paper and the answers are at the end of the book. YOU ONLY NEED TO DO ONE OF THESE DAILY LESSONS, EITHER BITESIZE, WHITE ROSE OR POWERMATHS, CHOOSE WHICHEVER ONE YOU PREFER ☺

<https://www.bbc.co.uk/bitesize/tags/zmyxyc/year-3-and-p4-lessons/1>

**Sumdog** – Just a reminder that sumdog has regular challenges and competitions so keep a look out.

If you enjoy the extracts puffin books have a great YouTube channel and on this there is the author (Sam Copeland) reading 'Charlie Changes into a Chicken.' Here is the link to this:

[https://www.youtube.com/watch?v=PBbTzuNdDKs&list=PLC9XXoFSuEuh-n\\_cclB5mwC5QUFKE0zhi](https://www.youtube.com/watch?v=PBbTzuNdDKs&list=PLC9XXoFSuEuh-n_cclB5mwC5QUFKE0zhi)

letter, a song, a report .... You could do one letter each week.

### Daily lessons

Continue to follow the Oak National Academy daily lessons. The next 2 weeks should be writing a non-chronological report (week beginning 15<sup>th</sup> June) and writing a newspaper report (week beginning 22<sup>nd</sup> June). Go to their website, click on classroom, schedule and then year 3 and this should take you to the lessons for each week.

<https://classroom.thenational.academy/schedule-by-year/year-3/>

### Topic:

**Science:** As part of our topic 'Animals including Humans', keeping healthy is an important aspect. Look at powerpoint [https://www.hamilton-trust.org.uk/documents/1461/LKS2\\_Science\\_Yr\\_3\\_Autumn\\_1\\_Keeping\\_Healthy\\_Session\\_2\\_PowerPoint.pptx](https://www.hamilton-trust.org.uk/documents/1461/LKS2_Science_Yr_3_Autumn_1_Keeping_Healthy_Session_2_PowerPoint.pptx). AND [https://www.hamilton-trust.org.uk/documents/1462/LKS2\\_Science\\_Yr\\_3\\_Autumn\\_1\\_Keeping\\_Healthy\\_Session\\_2\\_Task\\_PowerPoint.pptx](https://www.hamilton-trust.org.uk/documents/1462/LKS2_Science_Yr_3_Autumn_1_Keeping_Healthy_Session_2_Task_PowerPoint.pptx) Can you design your own meal plan using good balance of the 5 food groups? During week beginning 22<sup>nd</sup> June, using the same website 'Hamilton Trust' click on Year 3, Science and take a look at section 3 under 'Animals including Humans' – have a look at the powerpoint which shows some really cool facts about human skeletons and compares our to animal skeletons. Perhaps you could do one of the activities suggested.

## Year 3: School Closure Work

**History:** Look at the BBC bitesize website and during the week beginning 15<sup>th</sup> June read and watch ‘What did the Ancient Maya believe in?’ Complete the activity to match the Maya God to the correct glyph then choose one of the Gods and, using the information you are given in the chart, create your own glyph or pictorial representation for this God. You could just draw this or you could paint or collage it. Be creative ☺

During the week beginning 22<sup>nd</sup> June read and watch ‘Who was Pakal the Great?’ Complete the activity to place the jewelled object in the correct place and then design a Jade mask for Pakal to have worn. Use a mosaic effect either using different shade of green or by cutting and sticking pieces of paper.

<https://www.bbc.co.uk/bitesize/topics/zq6svcw>

**Music:** This link should take you to a lesson called ‘Start Singing.’ There are some fun activities to complete using your voice:

<https://www.bbc.co.uk/bitesize/articles/z7f72sg>

**Art/ DT:** Either design your own plate of food like the examples on powerpoint 2 from science activity – or you could design/build your own animal home to link with the Wildlife Trust challenge. If you are feeling really creative – you could do both!

**French:** Madame Byers has been busy putting together some French activities for you all. You can find these on our school website under ‘French resources from Madame Byers.’

**PHSE:** The Wildlife Trust are running their 30 day challenge during June. As part of this, there are so many ideas to get in touch with nature. Research has shown that being outside and in nature even for a little while can boost our mental health. Perhaps you could do one of the activities suggested? Follow this link for some ideas. A similar activity has been posted on seesaw. <https://action.wildlifetrusts.org/page/57739/petition/1>

Useful websites: Many organisations are offering free access and creating School Closure packages – here are a few we recommend you use regularly. Not all year groups use all of these sites, but if there is a \* it means your child may have a school log in.
