Topic/research:

Art- Use objects/materials around the house to make a collage (3) here is an example!

PE- can you make a fun, safe obstacle course. How quickly can you complete it? I look forward to seeing the photos!

Computing- Do you think that some social media platforms should lower their age restrictions? Can you write a balanced argument for and against?

Useful websites: Many organisations are offering free access and creating School Closure packages – here are a few we recommend you use regularly. Not all year groups use all of these sites, but if there is a * it means your child may have a school log in.
