**Topic:** Continue with Personal Projects - **There are great activities, quizzes and games etc on\*\*\* [wowscience.co.uk](http://wowscience.co.uk)\*\*\***

Research some of the World’s extreme habitats, e.g the polar caps, rainforests etc.

States of matter crossword, Sound game & survey, Water Cycle game - Plan IT section of Twinkl Year 4 School Closure booklet

**FRENCH-** Mde Byers has sent in some activities for you to do, which are on the school’s website.

> Create a board game or quiz for you and your family to play. Use the cardboard from a cereal box.

> Practice drawing your toys or the view outside your window.

> Mark out a square or circle in your garden then observe how many creatures visit this area in 5 or 10 minutes. You could repeat this at different times in the day or on different days, to see if there are any patterns- e.g. Are there more when it is sunny or when it is cloudy?

> Draw the flowers in your garden. Do you know what their names are?

## Year 4: School Closure Work

Hi there year 4,

I hope you are all keeping well.

Above are some more schoolwork suggestions for you to do at home, linked to the areas of learning we were covering in class before the school closure.

Lots of you are logging on to SeeSaw too, which is marvellous as I'm not only getting to see what you are doing with your time, but also listening to your comments and ideas and offering help if need be. However, if any of you have lost your login, please let the school office know and I'll post a new login to you.

All the very best, Mrs Parry
