Last week's update:

I hope you all enjoyed another long weekend thanks to the coronation of King Charles III – shame about the weather on Saturday, but at least there was some improvement for the Sunday events. We were lucky with the rain on Friday in school when we had our own coronation celebrations with a street party style lunch. The children wore their crowns with pride, parading round the arena whilst practising their royal wave to the crowds. Winners of pin the jewel on the crown, guess the name of the Jack Russell and the best crown, were awarded with certificates and prizes. There were smiles all round with the rain staying away until the afternoon and pick up time when the heavens seem to regularly open!! HUGE thanks to Mr Ind for his hard work in organising the day, to all staff for tucking in with coronation themed activities AND of course to parents, who supported crown making at home, as well as lovely red, white and blue themed clothes! It was a royally, memorable occasion! More photos below.

Our lovely Year 6's have been taking their SAT's this week and are up at the park as I write (pics below), having a well-deserved break and enjoying some down time. They have all worked SO hard to get to this point and every single one of them approached the papers in a positive and determined manner, many working on answering questions right up to the last minute. I am sure many of you will have seen from the press coverage the uproar from Headteachers, teachers and parents across the country about the difficulty of some of the papers, especially Reading. While I agree the paper was tricky in places, the children were just brilliant at doing their best and having a go – which is all we can ever ask of them. They were all a credit to the school and to you! Now it is time to forget the SAT's, enjoy the last 9 weeks at MPS and work on a smooth, confident transition to secondary school. (Please note – SAT's results are not available until July 11th)

Year 1 had an exciting end to the day on Thursday, as Duncan and his mummy brought in an Axolotl to show and tell. This all stemmed from Mr Robert's amphibian science lesson earlier in the week as Duncan shared the news he had two of them at home. The Year 1 children had thought of some amazing questions to ask and they treated their visitors with respect and courtesy. Miss Hurrion was very proud and would like to extend a huge thank you to Duncan and his mummy for an excellent show and tell. We all decided their Axolotl was quite cute! 😊

**Staffing news**

Hopefully by now you will have all received the news that Mr Aldren has taken the decision to take early retirement from his role as Assistant Head and Year 2 classteacher at MPS, leaving at the end of this academic year. I appreciate that this may add to the uncertainty for parents, especially those with children in Year 1. Please rest assured that we do have plans in place for filling the Year 2 position but it will not be possible to share this information until June when we will know of any further staff changes. Many thanks for your patience and understanding.

Final reminder **Breakfast/After school club bookings for NEXT half term**

Please note that BC/ASC booking requests will open **Monday 15th May at 12pm**. Please send requests for the next half term to our school bursar Helen Bond by email on – bursar@midhurstprimary.co.uk

Chartwells return to school menu – food orders for Monday 5th June

Chartwells have amended Parentpay to show that on Monday 5th June we will be on a 'Back to School' menu. If you had already ordered from the normal menu for that day, you will now need to go back in and re-order for this day only. Many thanks.

Almost all fires in the home can be prevented.

As part of our aim to eliminate fire deaths, injuries and reducing house fires, West Sussex Fire & Rescue Service can offer a Safe and Well visit.

Intelligence led information and working closely with our partners allows us to identify and assist those individuals and groups who are most at risk within our communities.

Do you, a relative, neighbour or friend meet any of the following criteria?

- Someone aged 65 or over
- Lone adult or parent with young children
- Someone with a permanent disability
- Someone with permanent mobility difficulties
- Someone who is on Careline or Lifeline
- Someone who cannot hear a standard smoke alarm **AND** lives alone

Hindhead Music Centre

DISCOVER MUSIC!

Summer Holiday Course for children aged 6 - 10

Course Director:

Jo Hughes-Chamberlain

Does your child want to play a musical instrument, but is not sure which to choose?

The perfect introduction to music and all the instruments.

Also for those who already play a little, and might need a little extra inspiration and encouragement.

Tuesday 8th - Thursday 10th August

(10.00am -5.00pm)

(including mid-morning refreshments, and afternoon tea, but please bring a packed lunch)

£210.00

Book now while there are still places!

The children are introduced to the strings, wind, brass, percussion, harp and piano, and are encouraged to 'have a go' on each instrument to help them decide which they might like to learn to play.

There is a choir, an orchestra for those who already play, a percussion and recorder group, and the beginnings of learning to read and write music, all introduced in a fun and caring way. There is also plenty of time to play in the wonderful 6 acre gardens.

See over for application form.
