# Reception Newsletter

It's the summer term and reception are now doing PE outside on Tuesday mornings. We are working hard practicing running on the track ready to show off on sports day! Please could you ensure that children have now got a pair of trainers or plimsols in their bags.

Forest school sessions are also continuing on Thursdays. This half term it is group 2's turn, and it will be group 3's turn after the May half term.

## Beach trip

We have a date booked in for our annual reception beach trip! Please keep an eye out for a letter in the next few days with further information.

## Zoo Lab

We are also lucky enough to have a visit booked in with Zoo Lab who will bring a range of animals in for us to learn about. You will receive a letter shortly with more information.

## WE NEED YOU!

Do you have a spare half an hour here and there to help us read?

We are getting really good at reading, sounding out and blending confidently, but some extra practice to become more fluent in this last term of reception would really help.

If you would like to come in and hear some readers please let one of the reception team know!
