

# FRIDAY FLYER

I hope that you and your families are well. As we strive to improve the quality of communication with parents and carers, I would like to remind you that we have now fully implemented the Bromcom 'My Child at School' system in the school and we would like all parents and carers to access their child's record using the 'My Child at School' web portal and mobile app – MCAS.

Our aim is for this system to become the backbone of our communications with parents and carers and want it to become the main platform used in all communications with you on all school matters. It is important that everyone uses this system to access key information about their son/daughter's learning experience. The MCAS app will support your child's learning by allowing us to keep you informed, message you and allow you to receive information from the school about your child. Bookings for wrap around care (breakfast club and after school care), clubs, trips and parents evenings are now managed via the app.

The mobile app, which is available for both IOS and Android devices, also allow us to contact you via app notifications in just the same way as the current text system, but without the cost of each message and so helping to protect school finances, and will also alleviate the amount of emails and letters that we send home. To facilitate this users must allow notifications from the app via the settings app on your phone. To help you become more familiar with the functions on MCAS, I have attached a link to the MCAS parent's guide here [MCAS Parent Guide](#)

Basic information, timetable, attendance messages, clubs, wrap around care and parents evenings are available in MCAS and we will be making further pages, such as school reports and behaviour available to all users in the coming months. If you have any questions please contact the School Office. For any questions regarding login details for the Bromcom 'My Child at School' please email [office@midhurstprimary.co.uk](mailto:office@midhurstprimary.co.uk)

## A REMINDER OF OUR PARENT AND PUPIL WELL BEING SURVEYS

Please spare 10 minutes to complete a questionnaire by going to

<https://survey.gl-assessment.co.uk/s/RMGZB5/>

and logging on using the password provided below.

Your parent password is: **MID55101Pa**

*The password is case sensitive.*

By completing the questionnaire, you will be telling us how you think we should be spending our time and resources, to make our school the best that it can be for your child.

There is also a questionnaire for your child in Year 3 or above. We would really value you helping your child complete this by going to

<https://survey.gl-assessment.co.uk/s/T6TI8T/>

and logging on using the password provided below.

The pupil password is: **MID55102Pu**

Each completed questionnaire is vital in finding out what parents and children think. Answers will be treated in the strictest confidence and will make a difference to how we run the school and plan for the future.

## WRAP AROUND CARE BOOKINGS!

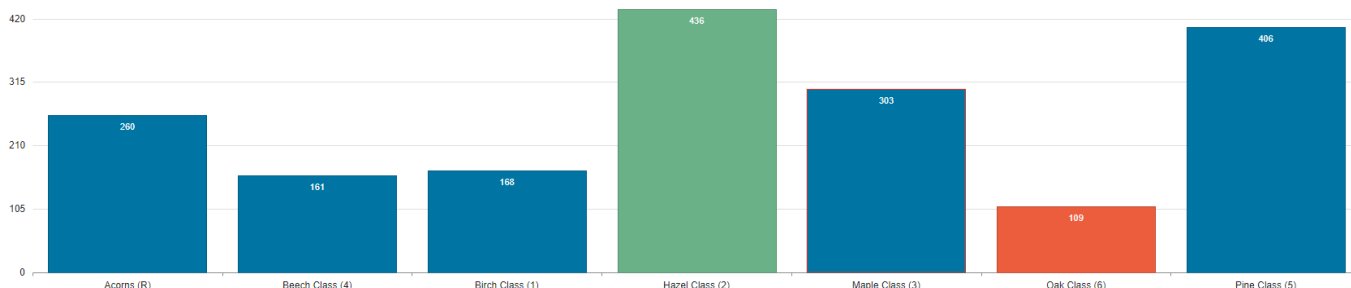

Bookings for Breakfast Club and After School Care during the second half of the Spring Term will be open on MCAS from Monday of next week, 29<sup>th</sup> January.

## PTA – HEART AND SOLE SPONSORED RUN!

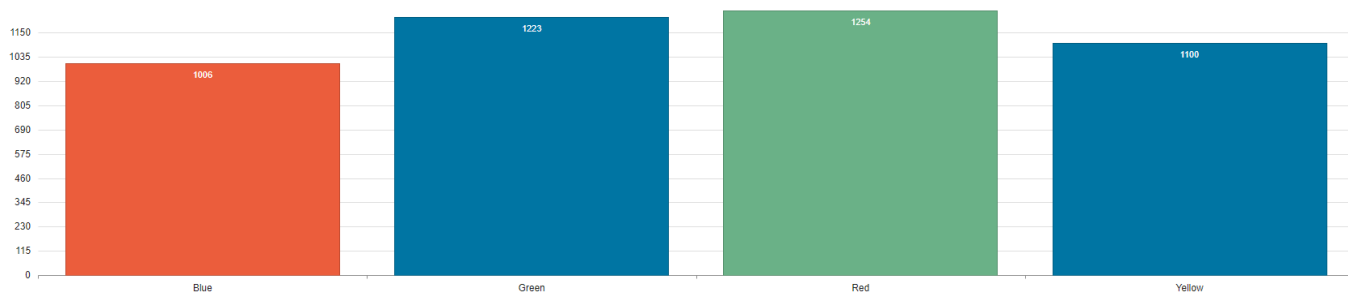

A reminder to get your sponsors for the sponsored run taking place on Friday 9<sup>th</sup> February!

## REWARD POINTS

Congratulations to Hazel Class for gaining the most Reward Points this week with 436 points. Well done Hazel Class!

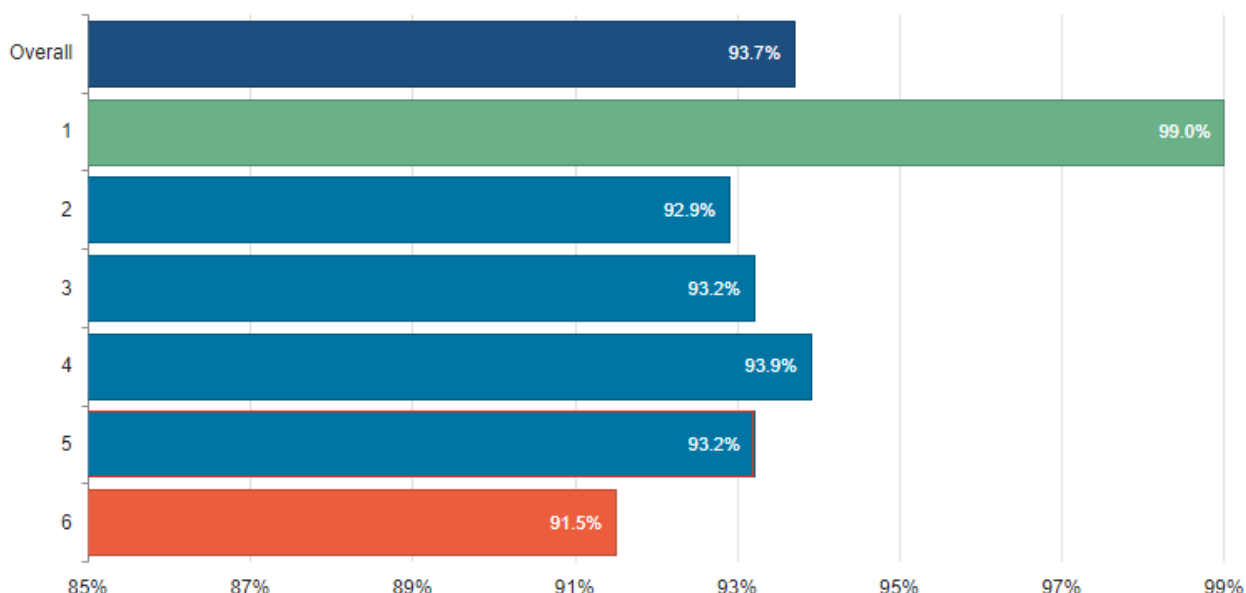

Arun House are in the lead this week with 1254 points!

### WEEKLY ATTENDANCE

This week's overall attendance is down from last week with a percentage of 93.7%. This is now 1.3% below our target of 95%. Let's work together to make next week above!

This week's attendance champions!

Congratulations Birch Class, this week's attendance champions with 99%

### MARCH 2024 EMOTIONAL WELLBEING PARENTAL WORKSHOPS

A letter went home earlier this week about a new parental course to support your child's emotional wellbeing. The course uses evidence-based approaches and are suitable for any parents who would like some guidance and ideas about how best to support their child's emotional wellbeing but would be particularly suitable for those whose children experience fears and worries. The four sessions will take place in school every Monday in March (9-10:30ish) and will be led by a Mental Health Advisory Teacher. Mrs Chance will be attending every session and tea/coffee and biscuits will be provided. If you would like any further information or would like to book onto the course, please email [lchance@midhurstprimary.co.uk](mailto:lchance@midhurstprimary.co.uk) or pop into the school office.

## QUAD ATHLETICS

Last Friday a group of children from Years 5 and 6 went to MRC to compete in a quad athletics competition. This was the 3rd event in the MRC Sports Partnership League. Each child had to compete in 4 events; a 600m run, a 75m sprint, a standing long jump and a vortex throw. We don't find out the results until next week, but I was so proud of how positively our children took part. They encouraged everyone and showed fantastic sportsmanship and

determination throughout, well done team. A special mention to Evie who stepped into the team last minute when someone was away poorly, thank you Evie, what a team player.

## HAZEL CLASS DT ON THE BUSES

Hazel class have been making vehicles in DT

## PINE CLASS FOREST SCHOOL

# FIGURE **23** *Dance* JUNIOR'S

Here at F.23 we are passionate about delivering a high standard of teaching & choreography throughout different areas of performing arts, and love to see our students build confidence and creativity through movement.

So if you're looking for a new and exciting dance class for your little one, come and join us every Friday. We offer contemporary classes for children aged 7-12. They will get to learn lots of different sequences alongside the correct techniques to carry out the movements safely.

Please give us a call or email if you would like any further information. We will be happy to answer any questions you may have!

# PARTICIPANTS NEEDED

## Are you a parent of a child with

- Special education needs & disabilities (SEND)
- On the SEN register at school
- Has an education health care plan (EHCP)

We want to know more about your perspectives and experiences of being a SEND parent. Your child does not need to be diagnosed but be identified as having SEND. We want to talk about home life, education and any use of support services.

Interview can take place online via teams or face to face if local

please contact for more information
