

Acorns Newsletter

It's the spring term and Reception are now doing PE inside on Thursday mornings. We are working hard learning how to balance, climb, jump and roll safely using equipment.

Please can you encourage your child to dress themselves independently at home. Not only is it a really important skill to learn, but the quicker we can get change, the more time we have for actual PE in the hall!

Forest School

After February half term it will be Acorns turn for Forest School on a Monday Afternoon. We will be going in three small groups, so please keep an eye out for a separate letter which will explain groupings and dates.

One of our main goals in the Reception year is to encourage independence. After half term we would really like to encourage children to come into school independently each morning. Please spend some time talking to your child about this over the break and explain that you will say goodbye at the ramp now rather than coming up into the classroom.

Toys from home

After February half term please can you ensure that your child leaves their home toys at home. We are having lots go missing during the day, and we have plenty of toys at school for you child to choose from.

Kind regards,

Jess Channon
