Vision and Aims

At Midhurst C of E Primary School, our aim is to ensure that every child reaches their full potential. We are committed to helping all children achieve their academic best, while understanding their unique learning needs. Our goal is to nurture children who are: confident, self-reliant, adaptable and prepared to flourish in a rapidly changing world. We prioritise creating a sense of self-belief, belonging and community, encouraging children to make a positive difference while also supporting them in making healthy physical and mental choices.

Our Christian values underpin everything we do, guiding our decisions, worship and curriculum, while ensuring a welcoming atmosphere for all. We believe in empowering children to become responsible individuals who understand the impact of their actions on others. Our goal is to create a purposeful learning environment where every child feels valued, safe and able to explore, learn and grow. Through these efforts, we aim to develop well-rounded individuals who are equipped for success in their education and personal lives.

We recognise the crucial role of staff well-being in achieving our aims. At Midhurst C of E Primary School, we ensure that our staff feel supported, valued and prepared to inspire and guide every child. By fostering a safe, supportive and inclusive environment, we meet the emotional and spiritual needs of all members of our school family.

Midhurst CofE Primary School is committed to Safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Our intention is that children will be safe, secure and happy, and enjoy their time as pupils at this school.

Introduction

All members of a school community are entitled to be able to work, study or visit without fear of verbal or physical assault. It is the purpose of this policy to promote and support this entitlement and provide guidance to all school stakeholders as to how this might occur.

Underlying Principles

- The relationships between parents/visitors and this school are greatly valued; partnership working is seen as enhancing the education of pupils in the school.
- Parents and visitors are welcome to come into school to discuss matters of concern with members of staff.
- All meetings held in school are by mutual consent.
- All meetings will take place in an atmosphere of mutual respect and trust.
- School staff and parents/visitors will act reasonably and responsibly in dealing with issues of concern.
- Parents with concerns/complaints about pupils other than their own should not deal with the pupil in question but should address their concerns to a member of school staff.
- All parties will work together to resolve difficulties, even when they relate to matters of a personal nature.
- Parents should allow the school a reasonable period of time to investigate complaints/concerns, in compliance with the school's complaints procedures.
- Acts of an intimidating or threatening nature will not be tolerated.
- Offensive or abusive language will not be tolerated.
- The school will not tolerate the use of mobile phones, the email system, the internet or the intranet for illegal or inappropriate activities such as citing confidential information about other employees, the school or its customers or suppliers.

Policy

The above principles will be recognised and put into practice in contacts between school and parents. Midhurst CofE Primary operates a Zero Tolerance Policy towards breaches of the above principles.

While school is in session, entry for visitors is restricted to a single point, staffed at all times. When this is not possible, the outside door is kept locked and visitors should ring the entry bell to gain admittance.

Visitors are monitored and are always escorted while on the premises. Hosts are responsible for visitors during their stay.

If a visitor enters the premises and refuses to leave, this behaviour may give rise to a criminal offence. Staff will request the person to leave the premises but should not place themselves in a position of risk. If violence is threatened, if there is a breach of the peace or a likelihood of this, the police will be informed by an emergency call.

Meetings with parents or visitors will be through an appointment system for general enquires, support and advice. However, it is recognised that emergency meetings may need to be convened at short notice and in this case all parties will endeavour to meet at the earliest opportunity.

Where parents or visitors do not conduct themselves in an appropriate manner during meetings or discussions the meeting should be terminated and the parent/visitor asked to leave the premises. Where conduct has been such as to warrant it, the police will be informed. The school will instigate proceedings (through the Legal Services Department) to ban persons acting in such a manner from the school premises.

A record will be maintained in school of all incidents involving intimidating or threatening behaviour towards staff.

The school will notify parents of this policy on a regular basis and display the poster (see addendum) in prominent positions around the school.

This policy will be reviewed on the cycle of review which the school has adopted or when legislation makes this necessary.
