

FRIDAY FLYER

Dear Families

As we move into October, this week's Friday Flyer is packed with important information, opportunities and reminders for the weeks ahead.

One of our key events next week is our **Harvest Festival on Tuesday**, where we will come together to celebrate the values of generosity, gratitude and community. Once again, we will be supporting our local Food Bank and would be incredibly grateful for any non-perishable donations. Every contribution, no matter how small, helps support local families who may be experiencing difficult times.

You will also find details of our forthcoming **Open Day on Monday 12th October**. We are incredibly proud of our school and would be delighted to welcome prospective families to see all that Midhurst Primary has to offer. As a one-form entry school with no mixed-age classes, we are able to provide a personalised learning experience where every child is known, valued and encouraged to flourish. I would be very grateful if you could help spread the word by sharing our Open Day information with friends, neighbours and colleagues who may be considering school places for their children.

This edition also contains important information about **school photographs**, including how to arrange sibling photographs, together with an article explaining **Benedict's Law** and our approach to being a **nut-aware school**. The safety and wellbeing of every child remains our highest priority, and I would encourage all families to take a moment to read this information carefully, particularly the reminder about keeping us updated with any changes to your child's health or allergy needs.

There are also updates from our wonderful support teams, including details of the **Midhurst and Villages Family Support Group** and our upcoming **Coffee and Croissant Morning** with Mrs Chance and Mrs Mullen. These sessions provide valuable opportunities for parents and carers to seek advice, ask questions and connect with others within our school community.

You will also find information about our updated **Learning for Life curriculum**, alongside details of local opportunities such as the **Cowdray Run the Seasons series**, which offers a fantastic chance for children to get involved in physical activity outside of school.

Finally, I would like to congratulate all of our pupils on this week's fantastic attendance of 95.5%, exceeding our school target. A special well done goes to Birch Class, who were our attendance champions with an impressive 99.1%. Thank you for your continued support in ensuring children are in school every day and ready to learn.

Mark

HARVEST FESTIVAL AND FOOD BANK COLLECTION On Tuesday next week, we will be coming together as a school community to celebrate our annual Harvest Festival. Harvest is a wonderful opportunity for us to reflect on how fortunate we are and to think about those in our local community who may be facing difficult circumstances.

Once again, we are proud to be supporting our local Food Bank through a harvest collection. Food banks provide vital support to individuals and families who are struggling, and donations from our school community can make a real difference to the lives of others.

We would be very grateful if children could bring any donations into school via their class before our Harvest Festival celebration. Please ensure that any items donated are non-perishable, meaning they have a long shelf life and do not require refrigeration. Examples include tinned foods, pasta, rice, cereals, tea, coffee, long-life milk, biscuits and other cupboard essentials.

Thank you for your continued generosity and support. We know that, as always, the Midhurst Primary School community will come together to help those in need and demonstrate our shared values of kindness, compassion and service to others.

OPEN DAY 2026 – HELP US SPREAD THE WORD We are delighted to announce that we will be opening our doors on Monday 12th October, with tours and visits available between 9.00am-11.00am and 4.00pm-6.00pm. Choosing a school for your child is one of the most important decisions a family will make, and we would love the opportunity to show prospective parents what makes Midhurst Primary such a special place to learn, grow and belong.

As many of you know, we are proud to be a truly inclusive school where every child is known, valued and supported to achieve their very best. We work hard to ensure that every member of our school community feels welcomed, respected and able to flourish.

One of our greatest strengths is that we are a one-form entry school, meaning we have one class per year group and no mixed-age classes. This allows children to learn alongside peers of the same age and enables staff to provide a curriculum carefully tailored to each year group's needs, helping every child reach their full potential.

We are also incredibly proud of the feedback we receive from visitors and inspectors, who recognise our nurturing ethos, strong relationships and commitment to ensuring that children feel safe, happy and ready to learn. Above all, we are a school at the heart of the community, where families, staff and pupils work together to create an environment in which children thrive.

Alongside excellent teaching and learning opportunities, we also offer a range of free sports clubs and enrichment activities, ensuring that all children have opportunities to develop new skills, build confidence and discover their passions beyond the classroom.

Can You Help? Many of our current families are our best ambassadors. If you know families with children due to start school, families moving into the area, or anyone considering their school options, we would be grateful if you could let them know about our Open Day.

Please also take a moment to share the Open Day poster included further down this flyer through your social media channels, local groups, workplaces, community noticeboards or with friends and family who may be interested.

Thank you for your continued support. The strongest recommendation any school can receive comes from its families, and we are incredibly proud of the wonderful community we have built together.

We look forward to welcoming prospective families on Monday 12th October and showing them everything that makes Midhurst Primary School such a fantastic place for children to learn, flourish and succeed.

Open Day Monday 12th October

9.00am-11.00am

4.00pm-6.00pm

Everyone is welcome, and children are encouraged to attend too as we know how important this decision is for the whole family.

SCHOOL PHOTOGRAPHS - FRIDAY 9 OCTOBER 2026 We are pleased to let parents know that Smile Yellow Photography will be visiting school on Friday 9 October 2026 to take individual school photographs of all pupils.

Following feedback from parents, we are delighted that there will also be an opportunity for siblings who attend our school to have a special family photograph taken together on the day.

To enable sibling photographs to take place, **parents must complete Smile Yellow's online Sibling Request Form**. Unfortunately, sibling photographs cannot be guaranteed unless a request has been submitted directly to the photography company.

How to Request a Sibling Photograph

1. Visit: <http://www.smileyellow.com/sibling>
2. Enter the school password: **mid091026**
3. Complete the online request form.

Important Information

- **School Photo Day:** Friday 9 October 2026
- **Password:** mid091026
- **Closing Date for Requests:** Midnight on Friday 2 October 2026

Please ensure that your request is submitted before the closing date, as the photographer will use the information received to organise sibling photographs on the day.

We look forward to seeing lots of smiling faces on photo day!

ALLERGY AWARENESS AND BENEDICT'S LAW: KEEPING EVERY CHILD SAFE You may have heard about Benedict's Law; a new set of allergy safety requirements being introduced in schools across England. Named in memory of Benedict Blythe, a five-year-old boy who tragically died following an anaphylactic reaction at school, the new guidance aims to improve allergy awareness, prevention and emergency response in all schools.

At Midhurst Primary School, the safety and wellbeing of all children is our highest priority. We welcome the new guidance and are continuing to strengthen our allergy procedures to ensure that every child can learn, play and thrive in a safe environment.

What does this mean for our school?

Under the new guidance, schools are expected to:

- Have a clear allergy safety policy.
- Ensure staff receive allergy awareness and emergency response training.
- Maintain individual healthcare plans for children with severe allergies.
- Keep emergency adrenaline auto-injectors (AAIs) available on site.
- Record and learn from allergy incidents and near misses.

From “Nut Free” to “Allergy Aware”

One of the key messages within the new guidance is that schools should focus on being allergy aware rather than describing themselves as completely nut free.

While we will continue to do everything reasonably possible to minimise the presence of nuts in school, it is impossible to guarantee that any environment is entirely nut free. Food packaging can change, products can contain unexpected ingredients, and foods brought from home may inadvertently contain traces of nuts. For this reason, national guidance encourages schools to adopt a realistic and vigilant nut aware approach.

What does “Allergy Aware” mean?

Being a nut aware school means that:

- We ask families not to send nuts or nut-containing products into school.
- Staff remain vigilant about potential allergens in classrooms, during events and on educational visits.
- Children are taught about allergy awareness and the importance of keeping one another safe.
- We work closely with parents of pupils who have allergies to ensure appropriate care plans are in place.
- Staff are trained to recognise and respond quickly to allergic reactions and anaphylaxis.

How Parents Can Help

You can play an important part in keeping all children safe by:

- Checking lunchbox items carefully before sending them to school.
- Avoiding products that contain nuts where possible.
- Informing the school promptly of any diagnosed allergies or changes to your child's medical needs.
- Helping your child understand why it is important not to share food with others.
- Naming your child's lunch box and water bottle

Working Together

We know that managing allergies is a shared responsibility. By working together as a school community, we can create an environment where children with allergies feel safe, included and supported, while helping all pupils develop understanding, kindness and respect for one another's needs.

Keeping Us Updated

A vital part of keeping children safe is ensuring that the school has the most up-to-date information about their health needs. We kindly ask all parents and carers to notify us promptly of any new diagnoses, changes to allergies, updates to medication, or any other health-related information that may affect their child during the school day.

Medical needs can change over time, and even seemingly small updates can be important in helping us provide the right support and respond effectively in an emergency. Whether your child develops a new allergy, has changes to an existing care plan, is prescribed new medication, or experiences any significant change in their health, please let the school office know as soon as possible.

By working together and keeping communication open, we can ensure that every child receives the care, support and protection they need to be safe, happy and successful at school.

Thank you for your continued support in helping us safeguard all members of our school community.

COME ALONG TO OUR MIDHURST AND VILLAGES FAMILY SUPPORT GROUP We meet every other Friday at The Grange, Midhurst. This is a great opportunity to ask questions, seek advice and chat with Mrs Mullen (Kirstan) and Stacey McGuiness (Family Support Worker), as well as meet other parents and carers from our local community.

The group is free to attend, and pre-school-aged children are very welcome.

We will also be inviting guest speakers throughout the year and would love your suggestions about who you would like us to invite.

This group is not just for families from our school. We welcome parents and carers from other schools in the community too, so if you have a friend whose children do not attend MPS, please bring them along and help spread the word.

Your support is always valued and very much appreciated. If you have knowledge, skills or experiences that you would like to share with the group, please let us know.

Next Meeting -

Friday 2 October
1.30pm to 3.00pm
The Grange, Midhurst

P.S. Our Toddler Group continues to run at school on the Fridays when we are not meeting at The Grange. You are very welcome to join us there too.

Why not make Friday afternoons your regular time to connect with us and other local parents, whether that is at school or at The Grange?

We look forward to seeing you soon!

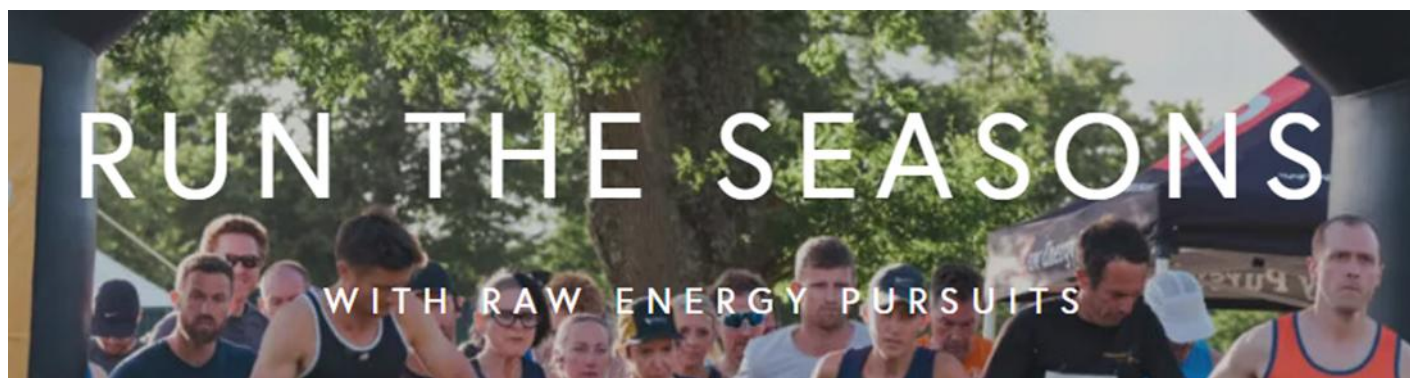

Mrs Mullen

COFFEE & CROISSANT MORNING Mrs Chance, our Special Education Needs Coordinator, and Mrs Mullen, our Family Liaison Officer, are holding their half termly coffee and croissant morning on **Monday 12th October** between **9 – 10am** after morning drop off in the school hall. If you would like to pop in for an informal chat or just share a coffee and croissant, they would be very pleased to see you

LEARNING FOR LIFE Following our consultation with parents in the summer term regarding our updated Relationships, Health and Wellbeing Education (RSHE) curriculum, please find below an updated curriculum map. Our Learning for Life curriculum strengthens children's safety, wellbeing and understanding of healthy relationships, while remaining fully age-appropriate and sensitive to children's needs. We have created parent cards for each of the topics covered and these will be sent out at the beginning of every half term via email so that you can see the content that will be covered in Learning for Life lessons. If you have any questions or concerns about the content, please direct these initially to the class teacher.

Whole School Planning

Theme	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn 1 Kindness	Friendships	Sense of self – achievement	Friendships and bullying	Media influences	Pressure to share and dares	Pressure and uncertain feelings
Autumn 2 Peace	Families	Identity and stereotypes	Safety rules and the law	Community and belonging	Health and prevention	Drugs and alcohol
Spring 1 Friendship	Fair and Unfair	Medicines and safety	Keeping safe and emergencies	Types of relationships	Body Privacy	Smoking and vaping
Spring 2 Forgiveness	Keeping safe and Emergencies	Changes in growth	Early warning signs, saying yes or no, secrets	Personal boundaries and the right to privacy	Puberty	Sense of self – Self esteem
Summer 1 Respect	Recognising Feelings	Coping with changes	Mental Health and Wellbeing	Sense of self – Achievements and goals	Sense of self - image and representation	Conception
Summer 2 Creativity	Keeping clean	Being healthy and active	Healthier lifestyle choices	Sleep and Emotional Wellbeing	Identity - Gender expectations	Transition - Saying goodbye and moving on

Nurture ♥ Inspire ♥ Achieve

One class per year group

A one-form entry
school with no
mixed year classes,
so every child can
achieve and flourish.

Inclusive for every child

We meet the needs
of every learner,
ensuring everyone
feels valued,
respected and
enabled to succeed.

A rich education

An exciting
curriculum that
inspires curiosity,
creativity and
a love of learning.

Nurturing environment

Where children
feel safe, happy
and confident
to be themselves.

Free sports clubs

A range of free
sports clubs to
keep children active,
healthy and
confident.

A strong community

Working together
with families and
our local community
to give every child
the very best
opportunities.

Christian values

Kindness, respect
and compassion
at the heart of
everything we do.

What do inspectors say?

"Pupils are happy, safe and well cared for."

*"Relationships throughout the school
are positive and supportive."*

*"The school is inclusive and ambitious
for all pupils."*

*"Leaders have created a caring culture
where pupils flourish."*

(Ofsted and SIAMS)

Families Welcome

We warmly encourage you to bring
your child along when you visit.

We recognise that choosing a primary
school is one of the most important
decisions for you all, and it is equally
important that your child feels happy,
comfortable and excited about their
future school.

Our Open Day is an opportunity to explore
our classrooms, meet our staff and see
the caring, inclusive environment in action.

**Children are very welcome to attend
and we look forward to meeting you all.**

*Where
every child
can achieve
and flourish*

*Rooted in
community
Growing
brighter futures*
