

FRIDAY FLYER

Dear Families

As I sit down to write this week's article, I have found myself reflecting on one of our core school values: kindness.

Kindness is often seen in the big moments, but more often it is found in the everyday actions that bring a community together. This week has provided us with so many examples of exactly that.

Firstly, I would like to say a huge thank you to everyone who supported our Harvest Festival collection. Your generosity has been incredible. The volume of donations received demonstrates what a caring and compassionate school community we have. Knowing that these contributions will help support those who may be facing difficulties reminds us all of the importance of thinking of others and showing kindness in practical ways.

This same spirit was also evident during our Hello Yellow Day, where families once again rallied behind an important cause. While details of our fundraising success can be found elsewhere in the flyer, I wanted to personally thank every parent, carer and child who contributed, whether through donations, dressing in yellow, baking cakes or simply embracing the day with enthusiasm. Together, you helped make a real difference, and we are enormously grateful for your support.

Elsewhere in the flyer, you will find a number of important reminders, including upcoming events, diary dates, attendance information, clubs and activities. However, you will also find our staffing update, where we say a fond farewell and sincere thank you to Mrs Cobbold for her many years of service to our school community. Her kindness, dedication and care for children have touched the lives of countless families, and I know you will join me in wishing her every success for the future.

You will also see information about our Open Day on Monday. As always, I am incredibly proud to lead a school that is strengthened by the support, encouragement and advocacy of its families. If you are able to help spread the word, we would be extremely grateful. Our greatest ambassadors are the children and families who experience life at Midhurst Primary every day.

Thank you, as always, for your continued support, encouragement and kindness. The success of our school is built upon the partnership between home and school, and this week has been another wonderful reminder of just how special our community is.

I hope you all have a restful and enjoyable weekend.

Mark

A SIMPLE HELMET CAN MAKE A BIG DIFFERENCE We were recently saddened to hear that one of our pupils was injured in a scooter accident over the weekend and required treatment in hospital. Thankfully, we are delighted that they are now recovering well and have been able to return to school.

Incidents such as these serve as an important reminder of the need for children to wear a properly fitted helmet whenever they are riding a scooter, bicycle, skateboard or similar wheeled equipment.

As parents ourselves, we understand that children can sometimes be eager to jump on their scooter or bike for a quick ride without thinking about safety equipment. However, accidents can happen in a matter of seconds, even close to home and even when children are riding in familiar places. A helmet is one of the simplest and most effective ways of helping to protect a child from serious head injuries.

We would therefore encourage all families to make wearing a helmet a non-negotiable part of scooting and cycling, just as we wear seatbelts when travelling in a car. Ensuring that helmets fit correctly and are in good condition is equally important.

Our children enjoy leading active, healthy lifestyles and we want them to continue to do so safely. By working together and promoting good safety habits, we can help reduce the risk of serious injury and keep our children safe while they enjoy the freedom and fun of riding their bikes and scooters.

Thank you for your support in helping us keep all of our children safe.

HELLO YELLOW Hello Yellow day was a huge success yesterday and all praise should go to the Mental Health Ambassadors for their excellent organising and determination to make it a special day. They worked so hard and arranged some lovely activities for us all to enjoy. I love working with them and look forward to the next challenge they take on.

Thanks also to all of you guys who supported us through donations of money and cake, arranging yellow clothes, hair and accessories and encouraging your children to get involved. The trial of the QR codes was a surprising success and one we will be using again. It really was a packed day and I know that I left school absolutely delighted, exhausted but delighted!

We already know just how wonderful our community is here at MPS. We have such a fantastic family of children in school and with them comes the brilliant and supportive parents/carers. We really pulled together as a strong team yesterday and because of that cohesion I am thrilled to be able to tell you that we raised in excess of £500 yesterday. Yep, you read that right! This is a phenomenal amount of money for us to raise and we could not have done it without all pulling together, so our thanks go out to every one of you.

We are very proud to be able to pass this much needed money onto the charity, YoungMinds, who work tirelessly to support young people with their mental health needs. If you would like to find out more about the charity, or maybe access their services, please take a look at [youngminds.org.uk](https://www.youngminds.org.uk)

Go into your weekend knowing that we all made a real difference to the young people and their mental health needs, and look out for our details of our next charity day. – *Mrs Mullen*

OPEN DAY 2026 – HELP US SPREAD THE WORD We are delighted to announce that we will be opening our doors on Monday 12th October, with tours and visits available between 9.00am-11.00am and 4.00pm-6.00pm. Choosing a school for your child is one of the most important decisions a family will make, and we would love the opportunity to show prospective parents what makes Midhurst Primary such a special place to learn, grow and belong.

As many of you know, we are proud to be a truly inclusive school where every child is known, valued and supported to achieve their very best. We work hard to ensure that every member of our school community feels welcomed, respected and able to flourish.

One of our greatest strengths is that we are a one-form entry school, meaning we have one class per year group and no mixed-age classes. This allows children to learn alongside peers of the same age and enables staff to provide a curriculum carefully tailored to each year group's needs, helping every child reach their full potential.

We are also incredibly proud of the feedback we receive from visitors and inspectors, who recognise our nurturing ethos, strong relationships and commitment to ensuring that children feel safe, happy and ready to learn. Above all, we are a school at the heart of the community, where families, staff and pupils work together to create an environment in which children thrive.

Alongside excellent teaching and learning opportunities, we also offer a range of free sports clubs and enrichment activities, ensuring that all children have opportunities to develop new skills, build confidence and discover their passions beyond the classroom.

Can You Help? Many of our current families are our best ambassadors. If you know families with children due to start school, families moving into the area, or anyone considering their school options, we would be grateful if you could let them know about our Open Day.

Please also take a moment to share the Open Day poster included further down this flyer through your social media channels, local groups, workplaces, community noticeboards or with friends and family who may be interested.

Thank you for your continued support. The strongest recommendation any school can receive comes from its families, and we are incredibly proud of the wonderful community we have built together.

We look forward to welcoming prospective families on Monday 12th October and showing them everything that makes Midhurst Primary School such a fantastic place for children to learn, flourish and succeed.

Open Day Monday 12th October

9.00am-11.00am

4.00pm-6.00pm

Everyone is welcome, and children are encouraged to attend too as we know how important this decision is for the whole family.

STAFFING UPDATE After many years of dedicated service to our school, Mrs Cobbold will be leaving us at October half term. Mrs Cobbold has been a valued member of our school community and has made a significant contribution to the lives of many children and families over the years.

We are incredibly grateful for her commitment, care and support, particularly over these first few weeks of the school year, helping our new Year R children settle happily and confidently into school life.

We know that many of you and your children will have appreciated Mrs Cobbold's kindness, patience and encouragement, and we are very sad to see her leave. On behalf of the whole school community, I would like to thank her for everything she has done and wish her every happiness and success for the future. Please join us in thanking Mrs Cobbold for her many years of service and in wishing her all the very best for the next chapter.

While we are naturally sad to see Mrs Cobbold leave, we want to reassure you that we are in the process of appointing a replacement Teaching Assistant. If you are interested in applying for this role, please pop into the office for more information.

COME ALONG TO OUR MIDHURST AND VILLAGES FAMILY SUPPORT GROUP We meet every other Friday at The Grange, Midhurst. This is a great opportunity to ask questions, seek advice and chat with Mrs Mullen (Kirstan) and Stacey McGuiness (Family Support Worker), as well as meet other parents and carers from our local community.

The group is free to attend, and pre-school-aged children are very welcome.

We will also be inviting guest speakers throughout the year and would love your suggestions about who you would like us to invite.

This group is not just for families from our school. We welcome parents and carers from other schools in the community too, so if you have a friend whose children do not attend MPS, please bring them along and help spread the word.

Your support is always valued and very much appreciated. If you have knowledge, skills or experiences that you would like to share with the group, please let us know.

Next Meeting -
